Parking & Transportation Services | University of Minnesota Driven to Discover℠

To all Metropass Customers:

Metro Transit is offering a 50% discounted monthly rate on Metropass for September-December 2021.

Please be aware that **Metropass payroll deductions will continue to be taken out of every paycheck going forward as usual**. Each following month you will receive a refund for 50% of your service fees for the previous month.

You will still see deductions on EVERY paycheck, but you will see a credit of 50% of your service fees ONCE a month for a maximum of the next four months (this is approximately $41.50 per month).

Review the sample paycheck below.

If you have any questions, please email Parking & Transportation Services at buspass@umn.edu.

Thank you for your support of mass transit.
